Mayor to light up town

THE Mayor of Guildford, Mr. Bernard Parke, will throw light on to the town's festive season when he switches on the Christmas lights on November 30.

Late-night shoppers at 6.30 p.m. will be entertained with carols from the Guildford Philharmonic Choir.

Then they can watch the sky sparkle with tinsel and glitter after the switching-on ceremony at 7.15 p.m.

The occasion marks the first in a series of late-night shopping evenings in the run-up to Christmas. Most shops in the town centre will be open until 9 p.m.

Parking in the council's car parks (except the new Farnham Road car park) will be free after 6 p.m. The High Street will be closed to traffic until 9 p.m.

Late-night shopping will take place on November 30, and December 5, 6, 8, 15, and 22.
