

The members of "Freiburger Bachchor" and their conductor Hans Michael Beuerle congratulate the choristers and their Chorus Master Jeremy Backhouse and all the helpful staff of Guildford Philharmonic on their 50 th jubilee.

They wish them successful and pleasant musical work and good companionship for the next fifty years.

They also want to express their gratefulness for our choir exchanges and for the close friendship that has developed between our two choirs.

Looking forward to seeing you again next year

Hans M. Beuerle
