

The Guildford Philharmonic Choir forms part of Guildford Borough Council's Music Scheme. It performs regularly with the Guildford Philharmonic Orchestra - the fully professional Orchestra of the South East - in the annual series of concerts promoted by Guildford Borough Council with financial assistance from the South East Arts Association.

The subscription for the membership of the Guildford Philharmonic Choir includes affiliation to the Guildford Philharmonic Society, Guildford's foremost musical appreciation club and club for Friends of the Orchestra. The Society also provides opportunities to enjoy a wide variety of first class music at special Members' Evenings.
